

To arrange auto-payment to MBMS International through your local bank:

To begin auto-payment, contact your local bank to authorize monthly payment. They will need to know the date on which you would like to make payment, as well as the amount you would like to donate each month.

Your bank will make checks payable to: MBMS International 4867 E. Townsend Ave, Fresno, CA 93727-5006

Please tell the bank the project code and missionary you want to support, as most banks will be able to include this information on each check.

Once auto-payment has been set up, your bank will mail checks monthly to MBMS International as per your instructions to them. Your name will be printed on each check and you will receive a monthly acknowledgement from MBMS International.

Please fill out this form and submit it to MBMS International by fax, mail or email to inform us of your intent to donate so that we may direct your donations appropriately.
